

WSFC APRIL 2013 NEWS LETTER

Hello Ladies,

Our Annual Awards Banquet was a huge success this year. We had 45 guest and members attend. The food was outstanding and sharing it with so many wonderful friends is always a highlight for me. Arlene and Andrea did a fabulous job as chairmen of the banquet. Every year seems to top the one before.

As you can see, there is plenty of room for more winners. If you would like to reap the rewards for the fish that you catch, you must send in affidavits. It is very easy this year now that we have created an online affidavit on our web site. If you are sending your affidavit via snail mail, please send them to Margaret Crossley. Remember you must submit an affidavit within 30 days of your catch.

Tournaments begin May 4th. At the banquet, we passed around a signup sheet. If you were not at the banquet, and interested in fishing with the teams this year, please check the tournament schedule on our site. Just click on ASAC Tournament Schedule, and let me know when you would like to fish. Watch **your e-mails** for the first line up coming out soon!!!!

IMPORTANT- Ladies, if you haven't done so already, please send your New Jersey Saltwater registration numbers in to Andrea before the start of fishing. You can go to

www.saltwaterregistry.nj.gov to register if you haven't yet. It is free. And you can print your card out immediately after completing the form.

It is a LAW! You must be registered to fish in New Jersey. PLEASE get your numbers to Andrea before wetting a line. Anyone not in compliance with the New Jersey salt water fishing registry will NOT be permitted to fish with/for WSFC. Being in compliance with NJ state regulations is part of our By -Laws.

We are looking into a weekend in July for our WSFC yard sale. A few of the ladies already mentioned tying up some rigs to sell...Love the idea. Think about all your trash and treasures you have laying around the house! Keep a box somewhere handy and every time you see something that you don't use anymore or don't need, throw it in the box. We'll let you know when and where to bring your boxes as soon as we confirm a date. We're also looking to borrow folding tables for the event. If you have any, let us know if we can use them.

Ladies we have some strong teams building this year. Work as a team. Fish as a team. Keep a line in the water. This is going to be an interesting year. And remember to have fun! This is one awesome sport we got into.

There is nothing in the world like being on the beach with surf rod in hand.
