

WSFC
News Letter
June 2014

Hello Ladies,

Welcome summer. I hope you have all had a chance to get out on the beach and target the spring run. Right now, we are getting quite a variety off the beaches. This past weekend I heard reports of Blues, Bass, Black Drum, Flounder and Kingfish. Don't wait until the beaches are crowded with summer visitors, to get your lines wet.

Our 2013 Awards Banquet in April was another huge success. Once again, Arlene and Andrea put together a nice event at the Brigantine Links. The entertainment was truly one of kind and the highlight of the evening.

CONGRATULATIONS TO ALL OF THIS YEAR'S AWARD WINNERS!

Arlene Perkowski - 1st Place in Most Fish, Largest Flounder, Largest Bluefish, and Largest Kingfish

Doreen Szcsepanski - 1st Place Largest Striper, and 3rd Place Largest Flounder

Lisa Gibbons – 1st Place Largest Black Drum

Andrea Tamburino - 2nd Place in Most Fish, Largest Flounder and Largest Kingfish

Sharon Otto - 2nd Place Largest Striper

Jennifer Arellano - 2nd Place Largest Bluefish

Susan Boehret - 3rd Place Largest Kingfish

Jane Jefferys - 3rd Place Most Fish

Reggi Vasta - 3rd Place Largest Bluefish

Margaret Crossley - 3rd Place Largest Striper

Good job Ladies!

This year's Woman of the Year Award was a tie between two deserving women, **Margaret Marie Crossly** and **Chris Pancoast**.

Tournaments for the spring have come and gone. We fished 3 tournaments this spring. It was a tough start to the season as the colder winter kept the fish from moving early. The WSFC A team took 5th and 6th place in two of the spring tournaments which puts them in a tie for 3rd place in the ASAC ranks.

A very important reminder, our tournament this year is on Saturday, Sept 20th in Brigantine.

This is a very special tournament this year. It will be our 30th tournament. Let's make it an anniversary tournament celebration. Please start working on obtaining door prizes. You can start NOW by going to your local shops and merchants for donations. Anyone needing a donation letter please reach out to Andrea and she will send them to you.

WSFC sends deepest condolences to our members and friends who lost a loved one recently.

Sharon Otto-Mother, Vinka Otto

Regina Herz- Father, Joe Herz

Christine Pancoast, Mother, Florence Pancoast

Reggi Vasta, Father, Bernard Vasta

ASAC's former Vice President for 11 years and WSFC supporter, Dick Halasek, passed away after a long illness on May 13th.

I would like to have a cast-net throwing seminar sometime this summer when the baitfish start moving in. Live wells in the fall seem to have some advantage for the later tournaments. Any ideas? Let's see what we can do about getting ourselves hooked up.

When we decide on a date for the seminar, bring your nets with you. I also have extras that you can use.

Ladies, enjoy your summer fishing and don't forget to fill out your affidavits for your catches.

They can be hand written and mailed to Margaret Crossley OR filled out on line and sent electronically.
